**Presentations:** None

## **Rustic Roads Guidelines –**

The Comm had a lengthy discussion on the proposed draft of the Guidelines (Manual). Much of the time was spent addressing the comments received from the public after the circulation of the “Guidelines”

Greg Glenn asked if a list of chip sealed roads in the County exists, a discussion ensued. It was decided that the DPS coordinator would contact DOT to see if a list does exist and if so request a copy so it could be forwarded to the bike community.

The Comm had a discussion on Road markings and if it was DOT policy to not mark roads that are less than a certain width, Leslie was tasked with finding out this information.

Greg Glenn commented on who has the right of way on roads and who should pull over for other users, a lengthy discussion ensued.

Jane suggested that a new section be added to the Guidelines (Manual) for all users; the Comm supported the idea and decided to expand the “Share the Road” section. It was felt that this section would address the Ag Advisory Committee suggestion of adding a section on sharing the road with farm equipment. Greg Glenn Commented that all users listed in the section should have the approximately the same amount of text. The Comm agreed that this was a good point and would adopt this idea into the document.

The Comm decided that it would continue the use of a sub-group to work solely on the Guidelines as time allows.

**Public Awareness –** nothing to report

**Correspondence –** nothing to report

### **New Business –**

Greg Deaver brought up the Town Hall meeting the Chief Executive is holding on March 11<sup>th</sup> at 6:30 in the EOB, a small discussion ensued; it ended with Greg letting the Comm know that if you wanted to go to the meeting you would be welcome.

It was decided that the DPS staff coordinator would compile and keep current a list of the members, time they have served and when their position on the Comm. expires so that the posts could be advertised well in advance of needing a replacement member.

### **Adjourned**

The meeting was adjourned at 8:30 pm. The next RRAC meeting is scheduled for Tuesday, March the 25<sup>th</sup> from 6:30 to 8:30 in Rockville. (This will be a full meeting with the emphasis being on the Manual, if limited progress is made then the small working group will reconvene).

**MINUTES APPROVED:** March 25, 2014
