DATE: April 1992

NUMBER OF PAGES:

ABSTRACT: This document describes the overall concept for the Silver Spring Central Business District (CBD) streetscape system and is used for private and public development within the CBD. The M-NCCPC Streetscape (Plan B) was approved by the Planning Board in 1988. The Department of Housing and Community development has been implementing their streetscape (Plan A) since 1979.

Specific streetscape materials and specifications are included.
