

GROUP 2

- Keep Blueberry Hill Park as a park, not a school site
- Locate a school on the Casey site, next to Washington Grove
- Widen Redland Road on the south-eastern side
- Park Overlook needs a protected sidewalk/trail/bikeway to the Metro station
- Going north on Crabbs Branch Way, install a turn lane going north-east on Redland Road
- Install sidewalks and bike paths on both sides of Redland Road from Crabbs Branch Way to Muncaster Mill Road, and along Needwood Road between Redland and Muncaster Mill Roads
- Create a Ride-On bus route to serve Magruder High School
- Fix the I-370 on/off ramps onto Crabbs Branch Way at Redland Road
- Locate a library and recreation center in the planning area

BIGGEST ISSUES:

- Make pedestrian connections
- Improve access to I-370
