

GROUP 3

- Need non-road, inter-community connections: bike routes, hiking trails, And connections to Metro
- Mitigate truck traffic on Shady Grove Road (the Plan should do a truck count)
- Install traffic calming features, noise mitigation, and boulevard streetscaping on Shady Grove Road
- Develop alternative routes to Shady Grove Road
- No ICC intersection (on-off ramps) at Shady Grove Road or Mid-County Highway
- Improve the water quality of Mill Creek

BIGGEST ISSUES:

- Provide pedestrian access to parks
- Improve the character of Shady Grove Road
