

**Table 3**

**INTERSECTION IMPROVEMENTS PROPOSED FOR TRAIL CROSSINGS AND ACCESS**

<b>Trail Name</b>	<b>Road Crossing</b>	<b>Existing Crossing Facilities</b>	<b>Evaluated Improvements</b>
Northwest Branch: main trail	Piney Branch Rd.	Concrete underpass on narrow ledge in culvert w/substandard vertical clearance	Replace existing narrow concrete ledge with 10' wide trail with 10-12' vertical clearance if & when culvert is replaced
Long Branch: main trail	Piney Branch Rd.	Pedestrian signal and crosswalk at light ½ block away at Barron Street	Provide concrete ledge underpass if & when bridge over Long Branch stream is replaced. If a signal is provided at Garland Ave., move main trail to west side of stream north of Domer Ave. and provide pedestrian signal and crosswalk at light.
Sligo Creek: connector from Ellsworth Drive	Sligo Creek Parkway	None	Add crosswalk.
Sligo Creek: connector from Three Oaks Dr.	Sligo Creek Parkway	None	Add crosswalk.
Sligo Creek: main trail	Wayne Ave.	Crosswalk and pedestrian signal	Minor design improvements at crossing will be considered as part of the Wayne Ave. Bicycle/Pedestrian improvements now being planned.
Sligo Creek: main trail	Piney Branch Road	Crosswalk and pedestrian signal	Consider minor design improvements, such as wider curb cuts, wider turning radii, better visibility of ped. signal
Sligo Creek: connector from Domer or Wabash Aves.	Sligo Creek Parkway	None	Consider crosswalk as part of further study on feasibility of connector. (See Trail Access chart.)
Sligo Creek: connector from Kennebec/Houston Aves.	Sligo Creek Parkway	None	Intersection improvements, such as pedestrian island or sidewalk extension, needed to improve sight lines. Add crosswalk.
Sligo Creek: Connector from Hilltop/Parkside Rds.	Hilltop Rd.	None	Coordinate with County to add crosswalk.

**Table 3 (Continued)**

**INTERSECTION IMPROVEMENTS PROPOSED FOR TRAIL CROSSINGS  
AND ACCESS**

<b>Trail Name</b>	<b>Road Crossing</b>	<b>Existing Crossing Facilities</b>	<b>Evaluated Improvements</b>
<b>Sligo Creek: Connector from Jackson Ave.</b>	<b>Sligo Creek Parkway</b>	<b>None</b>	<b>Add crosswalk.</b>
<b>Sligo Creek: Connector from Aspen Ave.</b>	<b>Sligo Creek Parkway</b>	<b>None</b>	<b>Add crosswalk.</b>
<b>Sligo Creek: Connector from Heather/ Hayward Aves.</b>	<b>Sligo Creek Parkway</b>	<b>None</b>	<b>Add crosswalk.</b>
<b>Sligo Creek: main trail</b>	<b>New Hampshire Ave.</b>	<b>Crosswalk and pedestrian signal.</b>	<b>Provide underpass or overpass for trail if &amp; when road is improved. In the interim, provide minor design improvements, such as an extension of the median strip for a pedestrian island.</b>
