

RE-2 to RE-2 (proposed) Zoning Comparison

The intent of the Residential Estate (RE) zones is to provide designated areas in the county for large-lot residential purposes.

Rationale for Changes Marked in Red

Sum of Side Setbacks, Interior
The proposed zoning code removes the Sum of Side Setbacks requirement since it is redundant.

Coverage
The proposed zoning code rationalizes coverage in the RE-2 zone so that it is more in line with coverage for RE-1 (15%) and the agricultural and rural zones (10%).
