

### **Upper Patuxent Community Meeting to Discuss Historic Properties and Districts**

You're invited! Come hear about Montgomery County's historic preservation program and learn what planners have discovered about the history of your area. Find out about the benefits of historic designation and tax credits. Get an update on the ongoing evaluation of Etchison, Clagettsville, and select area properties for possible designation on the County's *Master Plan for Historic Preservation*. Share your questions, concerns, and knowledge of local history after a presentation by Historic Preservation staff.

And bring your family histories and historic photos of area farms, buildings, residents, and events – we'd love to take a look!
