Appendix C-3: National Naval Medical Center DEIS & FEIS

The <u>Draft Environmental Impact Statement</u> (DEIS) for relocating the Walter Reed Army Medical Center activities to the National Naval Medical Center was published in December 2007. On January 10, 2008 the Planning Board reviewed the DEIS and endorsed all of the staff recommendations. On January 11, 2008, the Planning Board transmitted a <u>letter</u> to County Council President Mike Knapp, which was copied to the National Capital Planning Commission, highlighting those recommendations of greatest concern to the Board. The <u>Final Environmental Impact Statement</u> (FEIS) was released on April 4, 2008. On May 1, 2008 the Planning Board reviewed the FEIS. The staff <u>packet</u> recommended transmitting a <u>letter</u> to Admiral Richard R. Jefferies (included as Appendix A). On May 2, 2008, the Planning Board transmitted the letter to Admiral Richard R. Jeffries.
