

## Appendix F-1: County Bus Rapid Transit Study

In March 2010, the Montgomery County Department of Transportation initiated an in-depth investigation to determine whether a network of bus rapid transit (BRT) corridors is feasible in the county. The three corridors located within the area of the proposed BRAC projects are:

- MD 355 / Rockville Pike
- Montgomery Mall/Old Georgetown Rd/Rockville Pike/East-West Highway
- MD 185 / Connecticut Ave
