

PUBLIC MEETING

Damascus Master Plan

PUBLIC HEARING ON BYPASS ALTERNATIVES

DATE: Thursday, April 20, 2006
TIME: 7:30 p.m.
PLACE: Cedar Brook Community Church Auditorium,
23700 Stringtown Road, Clarksburg

During the County Council phase of the Damascus Master Planning Process, the members of the Planning, Housing, and Economic Development (PHED) Committee have requested the Planning Board hold a Public Hearing on the issue of including a transportation alignment on the west side of Damascus for a potential bypass route.

Since a potential alignment was not discussed during the regular community meetings during the planning process, this is a formal opportunity to let us know your questions, comments and concerns.

WE LOOK FORWARD TO SEEING YOU!
