Environmental Resources Inventory

UPPER ROCK CREEK
WATERSHED

The Maryland-National Capital Park and Planning Commission
Montgomery County Department of Park and Planning

ABSTRACT

TITLE: Environmental Resources Inventory for the Upper Rock Creek Watershed — Including the Rock Creek, North Branch and tributaries north of MD 28.

AUTHOR: The Maryland-National Capital Park and Planning Commission

SUBJECT: Background information on environmental conditions, policies and regulations affecting master planning in the upper Rock Creek watershed.

DATE: January 2000

PLANNING AGENCY: The Maryland-National Capital Park and Planning Commission
8787 Georgia Avenue
Silver Spring, MD 20910-3760

SOURCE OF COPIES: The Maryland-National Capital Park and Planning Commission
8787 Georgia Avenue
Silver Spring, MD 20910-3760

NUMBER OF PAGES: 66

ABSTRACT: This report contains technical and historical background information to support the preparation of the *Upper Rock Creek Master Plan*. The master plan should be consulted for the specific area environmental recommendations.

Environmental Resources Inventory

for the Upper Rock Creek Watershed

Including the Rock Creek, North Branch Rock Creek, and
tributaries north of MD 28

Prepared by The Maryland-National Capital Park and
Planning Commission
Montgomery County Department of Park and Planning

JANUARY 2000

THE MARYLAND-NATIONAL CAPITAL PARK AND PLANNING COMMISSION

The Maryland-National Capital Park and Planning Commission is a bi-county agency created by the General Assembly of Maryland in 1927. The Commission's geographic authority covers most of Montgomery and Prince George's counties. The Commission's planning jurisdiction, the Maryland-Washington Regional District, comprises 908 square miles; its parks jurisdiction, the Metropolitan District, comprises 75 square miles.

The Commission has three major functions:

- (1) The preparation, adoption, and, from time to time, amendment or extension of *The General Plan (On Wedges and Corridors) for the Physical Development of the Maryland-Washington Regional District within Montgomery and Prince George's Counties*.
- (2) The acquisition, development, operation, and maintenance of a public park system.
- (3) In Prince George's County only, the operation of the entire County public recreation program.

The Commission operates in each County through a Planning Board appointed by and responsible to the County government. The Planning Boards are responsible for preparation of all local master plans, recommendations on zoning amendments, administration of subdivision regulations, and general administration of parks.

The Maryland-National Capital Park and Planning Commission encourages the involvement and participation of individuals with disabilities, and its facilities are accessible. For assistance with special needs (i.e., large print materials, assistive listening devices, sign language interpretation, etc.), please contact the Community Relations Office, (301) 495-4600 or TTY (301) 495-1331.

ELECTED AND APPOINTED OFFICIALS

COUNTY COUNCIL

Michael L. Subin, *President*
Blair Ewing, *Vice President*
Phil Andrews
Derick Berlage
Nancy Dacek
Isiah Leggett
Marilyn Praisner
Steve Silverman

COUNTY EXECUTIVE

Douglas M. Duncan

THE MARYLAND-NATIONAL CAPITAL PARK AND PLANNING COMMISSION

William H. Hussmann, *Chairman*
Elizabeth M. Hewlett, *Vice-Chairman*

COMMISSIONERS

Montgomery County Planning Board

William H. Hussmann, *Chairman*
Arthur Holmes, Jr., *Vice Chairman*
Allison Bryant
Wendy C. Perdue
Meredith K. Wellington

Prince George's County Planning Board

Elizabeth M. Hewlett, *Chairman*
Zola E. Boone
James M. Brown
Regina J. McNeill

Table of Contents

Introduction and Executive Summary	1
Description of the Upper Rock Creek Watershed	1
Summary of Environmental Resources	1
Environmental Policy Framework	3
Chapter 1. Existing Environmental Conditions	4
Geology and Soils	4
Topography and Slopes	4
General Characteristics of Vegetation and Sensitive Areas	4
Existing Forest Resources	4
Wetlands	13
Habitats of Rare, Threatened, and Endangered Species and Areas Likely to Contain Unusual Biological Communities	18
Wildlife and Fish	19
Forest Interior and Riparian Forest Habitat	19
Grassland and Edge Habitat	19
Wildlife Management Concerns	19
Watershed Character	21
Stream Water Quality	21
Historical Data	21
Current Conditions	22
Watershed Management	27
Lakes Needwood and Frank	27
The 100-year Floodplain	29
Dam Breach	29
Groundwater	29
Sensitive Areas and Wetlands	30
Air Quality	30
Noise	30
Solid Waste/Landfills	34
Water Supply and Sewerage Systems	34
Chapter 2. Regulatory and Policy Framework for Environmental Planning in the Upper Rock Creek Watershed	38
Stream Water Quality Management	38
Tributary Strategies	38
Total Maximum Daily Loads (TMDLs)	41
Clean Water Action Plan	41
Watershed Protection and Restoration	42
Watershed Restoration Action Plan	42
Stormwater Management	42
Floodplain Management	42
Solid Waste	43

State Smart Growth Initiatives	44
Sensitive Areas Protection and Biodiversity	44
Forest Conservation	46
Wetland Laws and Regulations	47
Air Quality Policies and Regulations	48
Noise Regulation	49
