68C-4. Transportation Infrastructure Improvement Resolution.

(a) After holding a public hearing, the Council may approve a resolution that lists each transportation infrastructure improvement that would be entirely or partly paid for by a tax imposed under Section 68C-3.

(b) The resolution must indicate the estimated cost, including a contingency amount, for each listed improvement.

(c) The Council may amend the resolution after holding a public hearing.

(d) The Council must present the resolution and each amended resolution to the Executive for approval or disapproval. (e) Before the Council holds a public hearing under subsection (a) or (c), the Executive should transmit to the Council:
a list of recommended transportation infrastructure improvements to be entirely or partly paid for by a tax imposed under Section 68C-3;

the estimated cost, including a contingency amount, for each listed improvement; and

an estimated tax rate for each tax to be imposed under Section 68C-3.

Before the County loans or advances any funds to the District that the District is required to repay to the County, the Council must adopt a repayment plan in a resolution under this Section, or as part of an approved Capital Improvements Program resolution, that specifies:

2. create a reserve to pay the future costs of any transportation infrastructure improvement for the District;

68C-6. Issuing Bonds.

(a) Before the County issues any bond payable from ad valorem taxes levied under Section 68C-3, the Council must adopt a resolution authorizing the issuance of bonds that meets the requirements of this Section.

(b) Each resolution under this Section must:

1. describe the types of transportation infrastructure improvements and related costs to be financed; and
2. specify the maximum principal amount of bonds to be issued.

(c) Each resolution may specify, or authorize the Executive by executive order to specify:

1. the actual principal amount of bonds to be issued;
2. the actual rate or rates of interest for the bonds;

(f) The bonds issued under this Chapter:

(1) are special obligations of the County and do not constitute a general obligation debt of the County or a pledge of the County's full faith and credit or the County's general taxing power;

(2) may be sold in any manner, either at public or private sale, and on terms as the Executive approves;

(3) are not subject to Sections 10 and 11 of Article 31, Maryland Code; and

(4) must be treated as securities to the same extent as bonds issued under Section 9-1301 of Article 24, Maryland Code.

(g) To the extent provided by law, the bonds, their transfer, the interest payable on them, and any income derived from them, including any profit realized on their sale or exchange, must be exempt at all times from every kind and nature of taxation by the State of Maryland and any county or municipality in Maryland.

(h) The bonds must be payable from the fund required under Section 68C-5 and any other asset or revenue of the District pledged toward their payment. When any bond is outstanding, the monies in the fund are pledged to pay the costs of any transportation infrastructure.

In addition to ad valorem taxes, the bonds may be secured by any other asset in or revenue generated in the District.

(i) Any ad valorem tax imposed under this Chapter must not be accelerated because of any bond default.

68C-7. Expiration of district.

Any special taxing district created under this Chapter expires by operation of law 30 days after the cost of all transportation infrastructure improvements identified in a Council resolution approved under Section 68C-4, including all outstanding bonds and cash advances made by the County, have been paid.
