RE: **Naval Ordnance Laboratory Administration Building Designation to Master Plan and/or Locational Atlas, Public Hearing, 2/22/12**

The Silver Spring Historical Society enthusiastically supports designation of the Naval Ordnance Laboratory Administration Building, 10603 New Hampshire Ave., Silver Spring, Md., to the Master Plan and/or Locational Atlas. We endorse MNCPPC expert Sandra Youla's eloquent Research Report and its clearly defined rationale for historic designation of the NOLA Building.
