Subject: Add Naval Ordnance Laboratory Administration Building to GIS and DPS List of Locational Atlas Properties
Attachments: NOL Admin Bldg Env. Setting - PB 7.11.2013 ppt.ppt

To: Gail Lucas, DPS
To: Joshua Sliver, Planning Dept/M-NCPPC

During today's Planning Board worksession on the White Oak Science Gateway Master Plan, the Planning Board voted unanimously to:

- Add the **Naval Ordnance Laboratory Administration Building (Resource 33/25-1)** to the Locational Atlas;
- Recommend designation of the resource on the Master Plan of Historic Preservation.

The resource is located at 10903 New Hampshire Avenue in Silver Spring, within the new US Food and Drug Administration Consolidated Headquarters, in the Federal Research Center in White Oak. The environmental setting is @10.5 acres (not the whole parcel), as shown in the attached ppt.

Ms. Lucas, would you kindly add the resource with correct environmental setting to DPS's list of Locational Atlas historic properties. Note that the resource is on Federal land.

Josh, would you kindly add the resource with correct environmental setting to GIS Locational Atlas layer.

Thanks.
